Global Studies in Photography in Ecuador

Art 129 Digital Photography

Winter Term 2017

The first view of the Ecuador culture is one of mixed icons from both Ecuador and the Western world.

Casa Blank was a welcome overnight stay after the long trip from the United States.

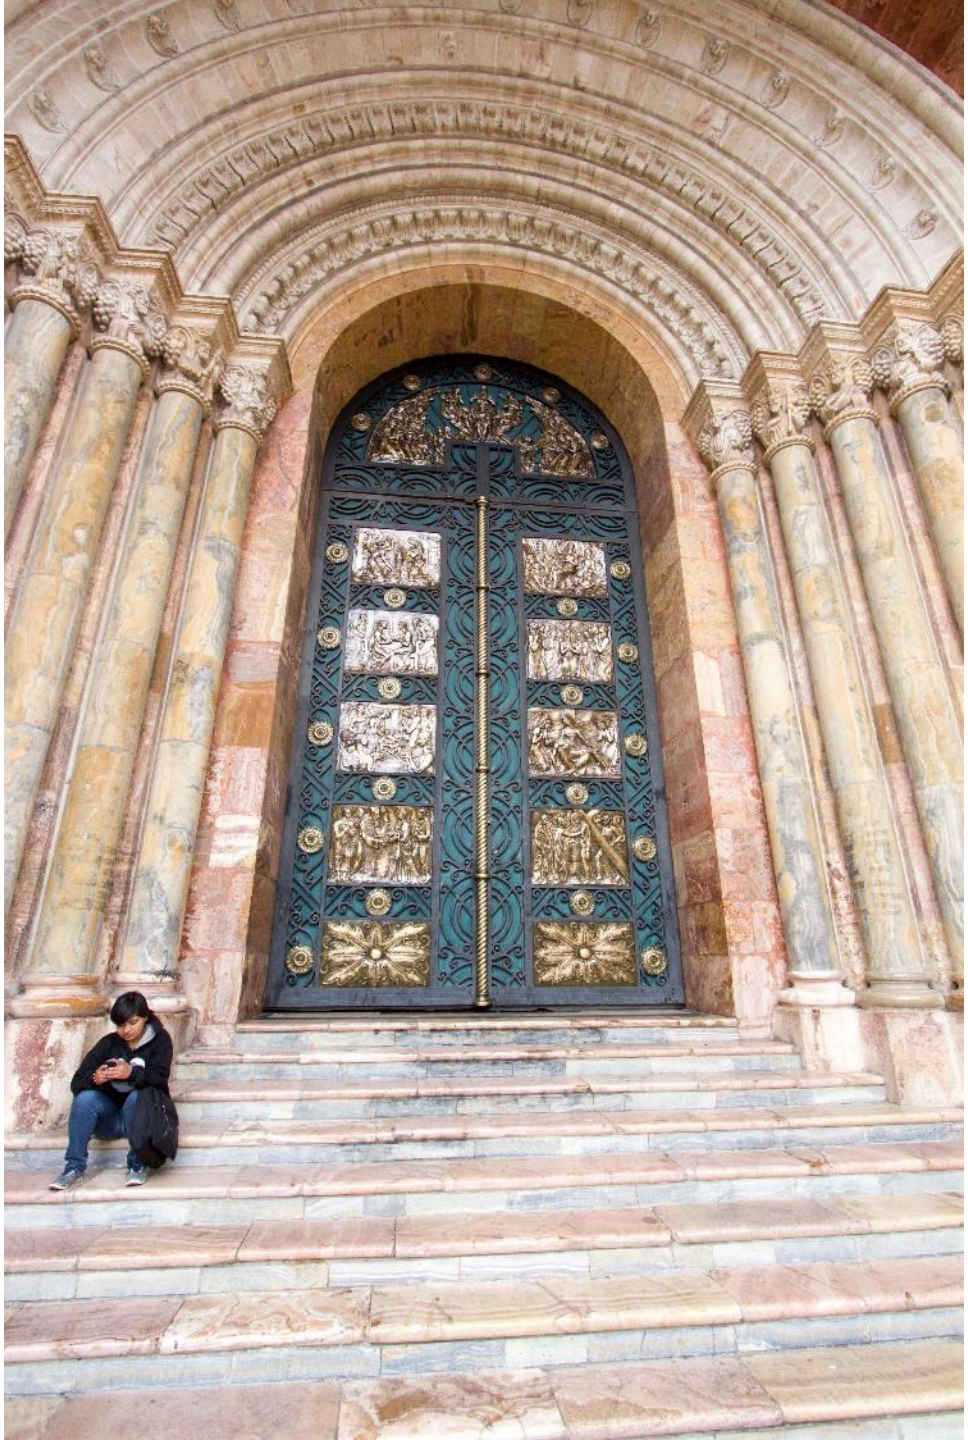
The resort is nicely appointed and quite restive.

Looking over the Cuenca from the top floor of Cieda

CARMEN
DE LA
ASUNCION

Cuenca is the base for the majority of the stay in Ecuador. It is a rich in an awareness of the arts and the historic culture of Ecuador.

CALLE
MARISCAL SUCRE



DICIEMBRE

Field trips to towns and locations outside Cuenca exposes students to the diversity of Ecuadorian life.

At 10,00 feet elevation the Acasua State Park can be a challenge.

The Cedie main office is in central Cuenca where classes and various workshops happen.

29Cu

During the stay many celebrations are held both religious and secular.

Iguanas park in Guayaquil. Friendly but very given to begging for handouts.

Local Graffiti has a unique flair and often takes on an art form exprression.

Panama Hats are actually produced in Ecuador. This a major export of Ecuador.

SE HACEN
RECARGAS

Students have free access to CEDEI during non programmed time to relax and/or regroup. They have evenings to themselves and the compute lab is always open.
