Thanks again for your support to the section.

Helen Christinean, RSM

The January 1 nomination deadline is here. In addition to compiling required documentation on each candidate, now allows ample time to decide on nominees and forward the choice of Cambridge in the fall pool for consideration at the fall meeting. This year's meeting will be held in Cambridge. A reminder: it is not too late to be preparing your nomination for the section award for distinguished teaching of mathematics. Time and effort are a trade-off.

rooms this weekend.

another conference in town, recommending for hotels.

reserving overnights accommodations, as there is
