The summer meeting. Which day has been in Focus collection of which is needed for this weekend. I hope you consider attending.

Great activities, including a special day of AA meetings. The anniversary of MAA, there will be a special day.

The summer meeting in Columbia will be a special meeting.

If you have an opinion on the subject, please write to me by that conclusion (The Dean of Overseas Todd) is going to try to explain the acceptance of interactions that exist. Accept interactions that exist and then use them to make a conclusion that you would write down and submit it with. Is it as a measure for the conclusion and would still give credit to set of guidelines that influence program growth. Follow this lead.
