

Jing Quan, Ph.D.

1101 Camden Ave, Salisbury, MD 21801 ♦ 410-543-6514 ♦ jxquan@salisbury.edu

(Google Scholar: <http://scholar.google.com/citations?user=aExWAukAAAAJ>)

Education

Ph.D. in Economics, University of Florida, Gainesville, FL	1990
M.A. in MIS and Forecasting, Wuhan University, Wuhan, China	1986
B.S. in Computer Science, Wuhan University, Wuhan, China	1983

Academic Appointments

Department of Info & Decision Sciences, Perdue School of Business, Salisbury University	
Chair	2019 -
Professor and Graduate Faculty	2016 -
Associate Professor and Graduate Faculty	2009-2016
Assistant Professor	2003-2009
Perdue School of Business, Salisbury University	
Interim Global Programs Director	2011- 2012
Dept. of Info & Op Management, Florida Atlantic University (FAU), Boca Raton, FL	
Instructor	2000 - 2003
Stuart-James Business Research Center, Col. of Business, FAU, Boca Raton, FL	
Associate Director	1993-2000
Department of Economics, FAU, Boca Raton, FL	
Visiting Assistant Professor	1992 - 1993
Department of Economics, Emory University, Atlanta, GA	
Visiting Assistant Professor	1990 - 1992

Related Experience

International Faculty	2011 -
MBA program, Sun Yat-sen Business School, Sun Yet-sen University Guangzhou, China	
<ul style="list-style-type: none">• Teach International MBA courses: MIS and Science of Decision Making• Conduct collaborative research with SYSU Business School faculty	
Member. University System of Maryland (USM) Cyber/CS/IS Faculty Affinity Workgroup	2022 -
Development Faculty , Salisbury University, Salisbury, MD	Winter, 2006
<ul style="list-style-type: none">• Traveled to Grenoble, France for a Study Abroad Program	
Team Leader , Salisbury University, Salisbury, MD	Summer, 2005
<ul style="list-style-type: none">• Took six students to Dongbei University of Finance and Economics for an inaugural Study Abroad Program in China	
Associate Director , Business Research Center, FAU, Florida	1993 - 2000
<ul style="list-style-type: none">• Provided IS leadership for the academic community.• Transformed the center to an open and service-oriented identity.• Provided statistical and computing consulting to Ph.D. students and faculty.• Provided services for the business communities.	
Computer Committee Member , FAU, Florida	1994 - 1996
<ul style="list-style-type: none">• Set campus-wide IT policies for hardware, software and networking	
Consultant, the World Bank , Washington DC	1990
<ul style="list-style-type: none">• Built energy demand model for developing countries	

- Helped the publication of energy demand forecasting for developing countries

- Winner of **1990 Dr. Sun Yat-Sen United Scholarship** for Outstanding Students from Mainland China

Contracts and Grants

Co-PI for Eastern Shore Partnership for Real-world Information Technology – Science Visualization (ESPRIT - SV) grant of \$131,000 from the Improving Teacher Quality (ITQ) Grant Program sponsored by the Maryland Higher Education Commission, November 2008

Co-PI for Eastern Shore Partnership for Real-world Information Technology (ESPRIT) grant of \$77,000 from the Improving Teacher Quality (ITQ) Grant Program sponsored by the Maryland Higher Education Commission, February 2008

Recipient of \$5000 for Perdue School of Business Summer Research grant, 2007

Project Manager, \$30,000, 1996-1997, from **Siemens** for the project "1998 Employee Survey." The project was to determine how the employees responded to the management initiatives and to provide the management with tools to improve the performance.

Principal Investigator, \$1,500, November, 1996 from **Haysmar Inc.** for the project "Closed Malpractice Claims Analysis." The project is to determine the claims performance of various malpractice insurers operating in Florida. The indicators include the ratios of claims that resulting in a payment, of claims lost in a court trial, of claims that were settled pre-trial, of amount each insurer spent defending against claims.

Co-Investigator, \$56,000, April 1, 1996 - September 30, 1996, from **Department of Transportation**, Florida for **Safe Communities** Project to study the injury patterns for the Boca Raton community including both individuals and businesses. The model being developed was used as a national protocol for such effort coordinated by the **National Highway Traffic Safety Administration (NHTSA), DOT, U.S.**

Co-Investigator, \$45,000 from National Council for Soviet and East European Research for the Project "**Housing Market in Moscow: Estimation of the Housing Stocks, Prices and Rents in 1991-1994**" with Dr. Yasushi Toda in the University of Florida.

Co-Investigator, \$148,633 from the Department of Defense, Tri-Service Nursing Research Program for the project "**Nurse-Patient Relationship Patterns: An Economic Resource**" with Dr. Marilyn A. Ray in the Nursing School of Florida Atlantic University.

Submitted NSF grant proposals for Transforming Undergraduate Education in Science, Technology, Engineering and Mathematics (TUES) in 2010 and Innovative Technology Experiences for Students and Teachers (ITEST) in 2009.

Industry Certifications

MCT	Certified Microsoft Trainer, 1998
MCSE	Certified Microsoft System Engineer, 1998
MCP+I	Certified Microsoft Professional + Internet, 1998
CNI	Certified Novell Instructor, 1997
CNE	Certified Novell Engineer, 1997
