

# Chegg It Out

---

Jahlil Washington

Supervisor: Stacey Jones

Advisor: Barbara Wainwright

# The Internship

- Salisbury University Office of Admissions
- The first step for all Salisbury students
- In charge of recruiting new students, processing incoming transcripts, evaluating students applications
- Provide tours of the campus to incoming students

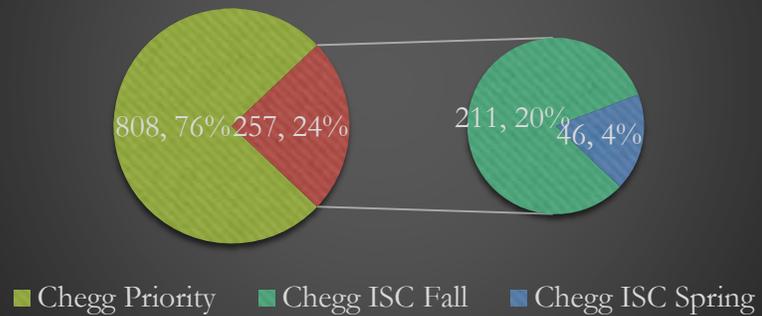

# What did I do?

---

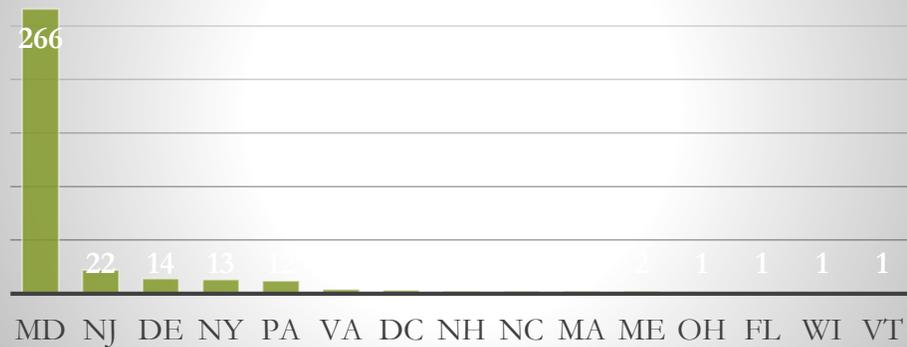

- Ran queries in the EMAS database
- Collected data on students touched through a specific online service, Chegg
- Distinguished between the students who were Chegg Priority & Chegg ISC
- Created graphs to visually represent Chegg Priority vs. Chegg ISC & which state produced the most student intake through Chegg

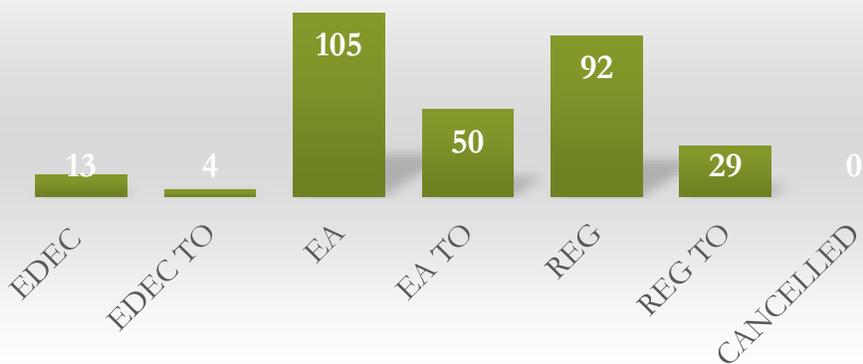

## Priority VS ISC 2015-16 Year

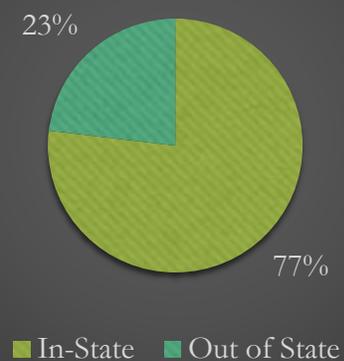

## 2016 Fall ISC Chegg Apps

## 2017 Fall Chegg ISC App Types

## 2016 Fall ISC Chegg Apps

# Challenges

---

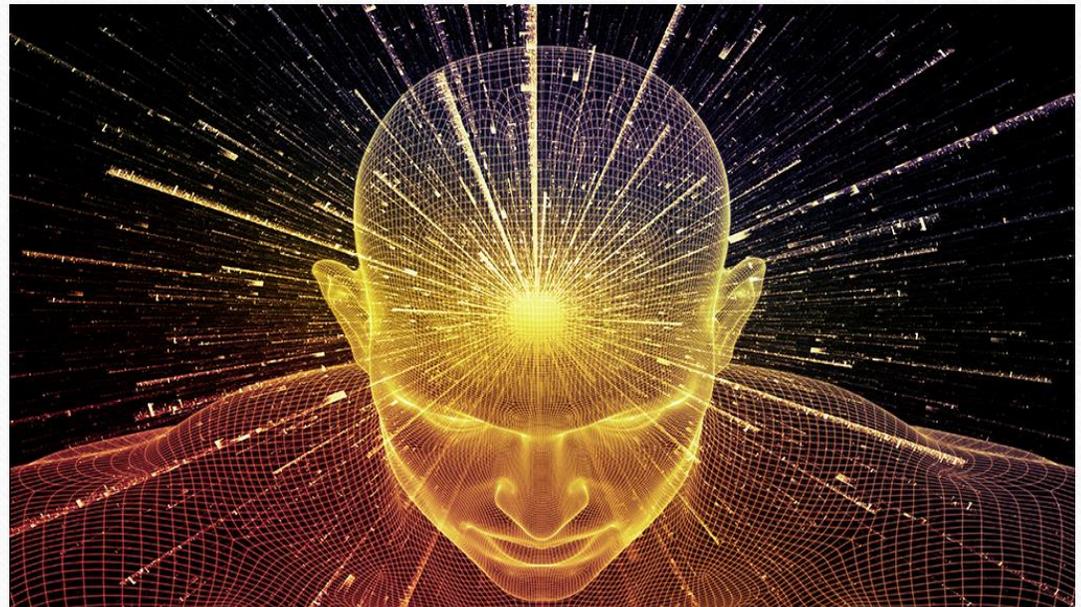

- Getting acquainted with new EMAS database features
- Getting my progress reports in on time

# The Power of Prior Knowledge

---

- Lab section experience
- Dr. Wainwright and Dr. Holdai write ups
- Former Excel experience

# Favorite Part of the Adventure

- Deeper knowledge of the admissions process
- Access to admissions data
- In-State VS Out of State

Thank you.
