D3 CORP INTERNSHIP

NOOR SHADID

D3 CORPORATION

- Full service web development & marketing firm

- Approximately 90% of Ocean City/West OC websites

- Less than 35 employees

RESPONSIBILITIES

- QC checks

- Edits

- Scripting

- Design

- Worked with clients to develop a site

CHALLENGES

- No web development experience when I started

- Struggle going thru other peoples code

- CMS based company

- Working with other developers – paired programming

- Design responsibility/trust

- Communication with clients needs/Project managers

HOW COLLEGE HELPED

- Structured

- Skill Set

- Work ethic

- Relationships

- Web development is simpler than programming

- Projects (due dates, criteria's, expectation)

WHERE I AM NOW BECAUSE OF D3 CORP

- Professional

- Skills strengthened

- Pushed me to want to be more interactive with communicating in Tech world

- Working under pressure

- Growing/ learning new things

- Taking criticism well

- Landed a CAREER!
