Homework Assignment

GEOL 103

Due date: April 8, 2016

Please read my book and write a double-spaced two-page essay on one or more of the following aspects of the book: your favorite park, site/location, quoted author, photo, moment, photo story, color, water, rocks, geology …

Make sure to use your creativity in writing, but keep geology content scientifically correct.

The book is available, on reserve, at SU Blackwell Library. If you’d like to order a copy for yourself to keep or as a gift for someone. It is available at Amazon.
